Preparedness Activity	Have Done	Plan to Do	Not Done	Unable to Do
				Explain Why
Attended meetings or received written information				
on natural disasters or emergency preparedness?				
Talked with members in your household about what				
to do in case of a natural disaster or emergency?				
Developed a "Household/Family Emergency Plan"				
in order to decide what everyone would do in the				
event of a household emergency?				
Prepared a "Disaster Supply Kit" (stored extra food,				
water, batteries, or other emergency supplies)?				
In the last year, has anyone in your household				
trained in first aid, or CPR?				
Installed gasoline or natural gas fueled generator				
with an automatic transfer switch?				
Waterproofed your basement floor and walls and/or				
added sump pumps with back-up power supply?				

8.	Building a disaster supply kit, receiving first aid training and developing a family / household or
	business emergency plan are inexpensive activities that require a personal time commitment. How
	much time (per year) are you willing to spend on preparing yourself / household / business for a
	natural disaster or emergency event? (Please choose only one.)
